

T3M *Compass*

So – What Makes T3M Different

Second Edition - *August 2026*

Entirely private, *luxurious and yours*

Every journey is exclusively yours.

There are no shared vehicles, no strangers at your dinner table, no compromises on pace or itinerary, no fixed schedule to follow. Your trip moves the way you want it to, at your own pace, linger where you choose to experience Africa exactly the way you want to.

Routes we know personally *by heart*

Every road we travel has been personally driven by us.

Every lodge has been carefully selected through firsthand experience. We recommend only the places we know, trust, and genuinely believe offer an exceptional experience. If we haven't experienced it ourselves, it doesn't become part of a T3M journey.

Bespoke *by design*

We build itineraries around you, your pace, your interests, your definition of a perfect day in beautiful Africa.

No two T3M itineraries are the same, nor any journey is the same. Every journey is thoughtfully crafted around your interests, your pace, and your idea of the perfect African adventure. From iconic highlights to hidden gems, your itinerary is designed exclusively for you.

Safari & motorcycle *adventures*

Whether you prefer comfort or a luxury private safari or the exhilaration of a guided motorcycle expedition on some extraordinary terrain, we offer unforgettable journeys across Southern Africa's most spectacular landscapes.

For riders, there is simply no better way to experience the freedom, diversity and raw beauty Africa has to offer.

Every journey we operate is private, you're getting stories, context and insight that only locals know.

Short testimonial:

Riding motorcycles from Windhoek to Cape Town is just over 2000 miles and was the trip of a lifetime! All you need to do is show up. Everything (and I mean EVERYTHING) is taken care of by Aldo and his team at T3M with first class accommodations. Every day was adventurous, challenging and new. If you only have time/money for one vacation this year, make it to Africa with Aldo at T3M.
