DAY 1

Arrive in Cape Town, collect luggage and clear immigration and customs. On arrival at Cape Town International Airport you will be greeted by T3M staff and transported (with refreshments in the vehicle) for a short drive of 20minutes into the City Centre to your 5-Star Hotel accommodation for the first 2 nights.

Depending what time exactly your flight arrives, you will enjoy an ocean view lunch or dinner, after which you will be able to relax for a few hours to recover from a long flight.

South African and Africa is well known for their celebration of food and alcohol (that's our way of celebrating life) and you will therefore experience eating and drinking (non-alcohol drinks will also be available) at every activity and stay.

DAY 2

Breakfast will be served at the hotel, after which T3M will take you in and around Cape Town City for some sightseeing and exploring.

The sites will take the entire day, with stops for a light lunch and dinner after the sightseeing and exploring. Activities include but not limited to, seeing the penguins at Boulder beach, going up Table Mountain for some great views, and driving around Cape Point.

We want you to see the city and everything it has to offer before heading out on our lengthy excursion!

DAY 3

Breakfast will be served at the hotel, after which we will leave the city behind and move inland to our beautiful Karoo region.

First, we will enter the Cape Winelands, where you will be able to enjoy some wine tasting and a light lunch, before we take the road to our half-way stop to our hunting destination, Matjiesfontein. At Matjiesfontein you will stay at the popular Lord Milner Hotel and experience its rich history.

Fast foods and Restaurants are far and few between in these parts of South Africa and where we don't eat at the lodges and hotels, we will rely on homemade snacks and light meals.

DAY 4

Breakfast will be served at the hotel, after which we will proceed to the Hunting Lodge (about 4-hour drive).

Upon arrival at the Hunting Lodge mid-afternoon, you will be taken on a game drive to explore all the possible game.

You will also be greeted by our hosts, the Herholdt family, who has owned this property for over 90 years. We will then enjoy a sunset as a group overlooking the homestead.

DAY 5/6/7

Homemade breakfast will be served, after which you will proceed to the firing range to make sure all the guns (and hunters) are ready for hunting. Here you will be given your rifle and bullets and we will do some target shooting.

Most shots, while hunting, will be somewhere between 100 and 150 yards.

Over the next three days, depending on the weather and game activity, you will visit various hunting camps for the preferred trophies.

Snacks and drinks will be served throughout the day.

Lunch will be served at the lodge.

After hunting every day, you will experience South African braai (barbeque) along with a camp fire as the sun sets every night.

DAY 5/6/7

DAY 8

After the hunting experience, we will leave for Oudsthoorn (known as the Ostrich capital of the world).

In Oudsthoorn, you will stay in luxury tenting accommodation at Buffelsdrift.

Here you will be able to enjoy activities like walking with Elephants, a sunset Game Drive, or enjoy the Spa.

DAY 9

Breakfast will be served at Buffelsdrift, after which we will enjoy some more sightseeing and exploring.

We will check out the Cango Caves before leaving for a small coastal town called Vleesbaai.

If you're brave enough, you can have a swim in the warmer Indian Ocean.

DAY 10/11/12

Homemade breakfast will be served at the Beach House. After breakfast, we will proceed to our final destination close to the Airport before departure tomorrow from George.

Your last night will be enjoyed at Botlierskop, where we will end this epic hunting trip with a sunset Game Drive and luxurious South African dinner.

Breakfast will be served at Botlierskop before departure to George Airport.
